

If you want PowerSchool to automatically send you e-mail notifications of grades, announcements, fees, and/or attendance:

Go to our district website: [www.district70.org](http://www.district70.org)

On the top middle of the screen: click "Parents".

On the next screen, to the left hand side:

Click on "PowerSchool".

Enter your user name and password. Username is 5 uppercase letters (Unless you have changed it.) and your password is the same numbers as your students (Once again, unless you've personally changed it.). If you don't have one, call 547-8050 ext. 14224 and I will get you one

On the first PowerSchool screen, left center, click "Email notification". You can access 5 different reports and four different choices (Frequency) as to how often you want them sent.

Also: If you click on your child's blue class score/grade, it will show you a detailed report for each assignment in that class.
